

# The River and The Mountain Story

This is **The River and The Mountain Story**. One day the river thought to itself as well as said, "Do I need to stream for a lifetime? Can't I rest and stop for a while?" She was looking for suggestions so she asked The Mountain and shared her thoughts with him.

The Mountain just laughingly stated, "Hey! Take a look at me, I've remained in the very same location for many ages."

River stated, "You are strong and also certain in one place. How can you ever before get tired?" Look at me, I need to move on constantly without any rest. I do not take rest for also a second!

The mountain stated and also grinned, it's how you see, but I'm actually tired of standing right here. Daily I see image of the same tree as well as sky. Often, I desire, I can run like a river. I will visit new forests and towns. I will irrigate fields of human as well as enjoy everything significantly.

River disturbed, "It's strange, your life is so relaxed and also calm, yet you feel that way.

The Mountain replied, "You don't get it my dear, you were loved by every person. You stream for others and that's not all! After giving so much away, you supply whatever stays to the sea."
